PROFESSIONAL SUMMARY

Marketing specialist with 1+ year of experience supporting brand marketing, product launches, and go-to-market campaigns across B2B and consumer brands. Experienced in using customer behavior, campaign performance, and market research to improve marketing strategy and brand messaging. Comfortable working across departments to bring marketing ideas from planning through execution.

PROFESSIONAL EXPERIENCE

Solvenna Sep 2025 - Jan 2026
SEO Specialist Chicago, IL, USA

- Managed website optimization for a large consumer-facing website serving the Florida market, improving client's organic search presence.
- Analyzed GA4 and Google Search Console data to understand customer search behavior, page performance, and engagement trends, then translated insights into content recommendations.
- Presented performance decks to clients, using website traffic data to shift marketing budgets and align product copy with customer search habits.

Dassault Systemes Aug 2024 - Aug 2025
Marketing Strategist Waltham, MA, USA

- Led the launch of an online merchandise store, coordinating vendor communication, inventory setup, project timelines, and launch execution.
- Conducted customer research and competitor analysis to better understand audience interests and improve product messaging before launch.
- Worked with marketing, design, and external vendors to create digital marketing assets that stayed consistent with brand guidelines.
- Planned, created, and edited short-form social content for SOLIDWORKS Edu Instagram page, with posts averaging more than 2,000 engagements.
- Collaborated with external agency to refine keyword performance and page content for 12 SOLDIWORKS landing pages to improve search relevance and customer experience.

ACROBiosystems Sep 2023 - Dec 2023
Marketing Intern Boston, MA, USA

- Created LinkedIn content for events, seasonal campaigns, and flash sale, contributing to a 25% increase in followers within three months.
- Worked closely with sales teams to keep campaign messaging aligned with customer questions and sales priorities.
- Improved email audience segmentation based on engagement data, increasing click-through rate by 18%.
- Supported the planning and execution of industry trade shows, including booth setup, connect walk-in customers with sales team, and leads follow-up.

HAVAS Group China Jun 2022 - Aug 2022
Public Relations Intern Shanghai, China

- Researched customer behavior, competitor activity, and market trends and turned findings into presentation decks for RFP with clients.
- Drafted press releases and news script for a pharmaceutical product launch, generating 2M+ campaign impressions.

KEPLER COMMUNICATIONS Co Apr 2022 - Jun 2022
Public Relations Intern Beijing, China

- Supported the launch of a luxury retail store by coordinating digital campaign materials and media placements.

Phoenix Satellite Television (US) Jun 2021 - Jul 2021
News Intern El Monte, CA, USA

PROJECTS & OUTSIDE EXPERIENCE

Motto Apr 2026 - Present
Product Owner & Marketing Strategist Remote

- Identified a market opportunity through competitive research and conversations with students and early-career professionals, then defined the platform's positioning and target audience.
- Planned the overall brand direction, messaging, and user journey before product development began.
- Built the landing page independently using Netlify, including page structure, copywriting, analytics implementation, and conversion tracking.
- Designed the go-to-market strategy, focusing on LinkedIn and community channels to build early awareness.
